REAL ESTATE HOME SERVICE PLAN

A. YOUR AGREEMENT

1. Your Agreement with American Home Shield (“AHS”) consists of:

- a. the Account Summary provided to you by AHS; and
- b. Sections A-E of this Home Service Plan along with other sections that pertain to your selected coverage.

2. Your Agreement with AHS includes only specified coverage for the systems and components (“Covered Items”) stated as covered in your Account Summary, and is subject to the limitations, exclusions, and provisions set forth in this Home Service Plan. So you understand your specific coverage, please read your Agreement carefully. “You” and “Your” (upper case or lower case) are references to the person who has entered into or been provided a Home Service Plan agreement with AHS.

3. Agreement Term and Costs

Your Agreement Term (the dates that your Agreement is in effect) and your Agreement Costs (Agreement Price and Trade Service Call Fee) are set forth in your Account Summary. Your Agreement Price is due and payable as your Account Summary specifies, and your Trade Service Call Fee is due and payable upon a request for service under your Agreement as described in Section B below. Additional costs may apply in accordance with other sections of this Home Service Plan.

AHS may, in its sole discretion, elect to continue to offer you coverage as of the end of your Agreement Term under AHS’ then-current terms and conditions. In the event AHS elects to continue to offer you coverage, you will be notified of the terms governing such coverage at least thirty (30) days prior to the end of your Agreement Term.

4. Agreement Termination

If your Agreement is terminated by you (and you may terminate your Agreement at any time for any reason), the following shall apply:

- a. If your Agreement is terminated within the first thirty (30) days and you have experienced no service, AHS will provide a full refund of your Agreement Price paid to date.
- b. If your Agreement is terminated after the thirtieth (30th) day or after a claim has been made, AHS will provide a

pro rata refund of the paid Agreement Price paid to date, less a cancellation fee of twenty-five dollars (\$25.00).

If your Agreement has been in effect for at least seventy (70) days, the foregoing shall not apply, and AHS may only terminate your Agreement (which shall become effective 15 days after notice of termination is mailed to you) before expiration of your Agreement Term (i) if you fail to pay an amount when due, or (ii) you have been convicted of a crime resulting in an increase in the service required under your Agreement, or (iii) AHS discovers fraud or material misrepresentation by you in obtaining this Agreement or in request service under the Agreement; or (iv) discovery of an act or omission by you or your violation of any condition of your Agreement which occurred after the effective date of the Agreement and which substantially and materially increases the service required under your Agreement; or (v) a material change in the nature or extent of the required service or repair which occurs after the effective date of your Agreement and which causes the required service or repair to be substantially and materially increased beyond that contemplated at the time that your Agreement was issued or sold.

If your Agreement is terminated by AHS, the following shall apply:

- a. If your Agreement is terminated within the first thirty (30) days and you have experienced no service, AHS will provide a full refund of your Agreement Price paid to date.
- b. If your Agreement is terminated after the thirtieth (30th) day or after a claim has been made, AHS will provide a pro rata refund of the paid Agreement Price paid to date.

If AHS fails to refund any amount owed under this section within 45 days of customer’s cancellation of the Agreement, AHS will pay a ten percent penalty for each 30-day period or portion thereof that the refund and any accrued penalties remain unpaid.

5. Agreement Transfer

Your Agreement may be transferred if the covered property changes ownership during the Agreement Term. To transfer the Agreement to the new owner, you are required to call the Sales phone number stated in your Account Summary.

B. REQUESTING SERVICE

1. Service requests must be submitted to AHS before any work will be performed for you. You will be charged a Trade Service Call Fee, due at the time of your request for service, for each Covered Item for which you request service. Unless otherwise required by law, AHS will not reimburse you or others for services performed without AHS' prior approval.

2. After you have made a service request and provided a valid payment source along with approval to charge to that source any applicable Trade Service Call Fees or other fees owed to AHS, if your request pertains to a Covered Item under your Agreement, AHS will dispatch an AHS selected and approved technician in the trade applicable to your service request ("Service Contractor") to evaluate the circumstances associated with your service request.

3. In some cases, AHS may not be able to provide a Service Contractor and may request you to contact an independent service contractor, who will be required to contact AHS for approval before beginning any repair or replacement efforts on your behalf. If your contractor will not bill AHS directly, you will pay your contractor directly, and AHS will reimburse you the amount of the authorized repair or replacement as agreed between AHS and your contractor in advance of work performance and as demonstrated by proof of payment provided by you.

4. Upon your request, AHS will determine if expedited services are necessary and available, and will make reasonable efforts to expedite services accordingly. **Service will commence not later than 24 hours after the report of the claim in an emergency. An emergency as defined by the Nevada Revised Statutes is including, but not limited to, the loss of heating, cooling, plumbing, or electrical service by the insured. If the emergency involving the items covered in this contract renders a dwelling unfit for a person to live in because of defects that endanger the health and safety of the occupants, AHS will provide a status report to the holder and the Nevada Commissioner of Insurance no later than 3 calendar days after the report of the claim, if AHS cannot complete the repairs within 3 calendar days. If you should request AHS to perform non-emergency service outside of normal business hours, you will be responsible for payment of additional fees, including overtime.**

5. You have the right to request a second opinion of the cause of the malfunction within seven (7) days after AHS informs you that, based on a Service Contractor's diagnosis, a malfunction of a Covered Item is not covered by your Agreement. AHS shall dispatch a different Service Contractor to render such second opinion provided that a different Service Contractor is reasonably available in AHS' contractor network in your area. If AHS deems that the second opinion also reveals no covered malfunction, you will be responsible for an additional Trade Service Call Fee. If AHS deems the second opinion materially different from the initial opinion and indicative of coverage, no additional Trade Service Call Fee is due. AHS may obtain additional opinions as needed. AHS will consider the merits of all opinions and decide, in AHS' sole discretion, whether to accept coverage.

6. If a particular AHS repair or replacement fails within thirty (30) days after completion, AHS will send a Service Contractor to correct the failure. You will not be charged an additional Trade Service Call Fee for such failed repair or replacement.

7. AHS may refuse to provide or continue service to you for the following reasons:

- a. Breach of your Agreement by you until such breach is cured to AHS' reasonable satisfaction;
- b. Upon discovering fraud or misrepresentation of material

facts to AHS by you related to your Agreement; or

- c. In the event you threaten to harm, or actually harm, the safety or well-being of AHS, any employee of AHS, a Service Contractor, or any property of AHS or the Service Contractor.

C. BASIC COVERAGE

1. Coverage under your Agreement is for your owned or rented residential property as it has been represented to AHS. **Coverage under your Agreement does not include commercial property or premises converted into a business or to which the general public is invited for business purposes.**

2. Except as otherwise specified by your Agreement, Covered Items under your Agreement must be:

- a. Installed under the roof, within the confines of the structural walls, and on or above the main foundation of the home (excluding porches, patios, and other adjacent or detached structures unless specifically covered by your Agreement), within an attached or detached fully enclosed garage capable of parking one or more motor vehicles, or within a guest unit as separately defined by AHS (if guest unit coverage has been elected). Note: a detached garage or other building may qualify as a guest unit; and
- b. Manufactured for non-commercial residential application.

3. The following also may be Covered Items (if included in your Agreement) if they are installed and manufactured for outside use or located in a structure which fully protects them from the elements: air conditioning, heating, electrical panel, water heater, cleanout, pressure regulator, exterior well pump, septic tank, sewage ejector pumps, or pool and/or spa equipment.

4. Coverage under your Agreement is for a Covered Item malfunction occurring during your Agreement Term caused by:

- a. Normal wear and tear of the Covered Item;
- b. Rust or corrosion of the Covered Item;
- c. Improper good faith installation, repair, or modification of the Covered Item (such good faith efforts shall not be subject to the exclusion provided for in Section D.6.a. below);
- d. System installation where component units of the Covered Item were not properly matched to each other for proper operation; or
- e. Insufficient maintenance of the Covered Item.

5. A Covered Item malfunction that predates your Agreement Term is not covered under your Agreement unless the malfunction (1) was revealed during a home or other inspection that predated your Agreement Term and subsequent proof of repair is provided to AHS' reasonable satisfaction; or (2) is undetectable by ordinary visual inspection of the Covered Item. For example, a visual inspection that reveals damage or a missing component or part (e.g. a missing dishwasher door) indicating inoperability would not be covered under your Agreement.

6. When addressing a Covered Item malfunction, unless an alternative procedure or other provision under your Agreement applies, AHS will make arrangements in accordance with your Agreement to:

- a. Repair or replace the Covered item,

- b. Dismantle and remove associated defective equipment, as reasonably performable by the dispatched Service Contractor, and
- c. Recapture, reclaim, and/or dispose of refrigerant, as applicable.

7. When making Covered Item repairs or replacements, AHS reserves the right to:

- a. Rebuild existing parts and/or to install rebuilt parts. AHS will use reasonable efforts to install Covered Items or parts of Covered Items of similar capacity, capability, color, and finish, but AHS is not responsible for matching dimensions or brand. AHS is not responsible for repairing, replacing, or matching any feature of a Covered item that does not contribute to the primary function of that Covered Item.
- b. Use an alternative refrigerant, which has been approved by the Environmental Protection Agency (“EPA”) for use in your Covered Item, when the refrigerant specified by the manufacturer for use in your Covered Item is no longer readily available in your area. You shall have the right to refuse the use of any such alternative refrigerant, in which case AHS’ responsibility shall be limited to offering you a cash in lieu payment for the no longer readily available refrigerant. Any such cash in lieu payment shall be subject to the ten dollar (\$10) limit on refrigerant costs noted in Section D.14.b. See Section C.8 below for further terms and conditions governing cash in lieu payments, including timing of such payments and proof of replacement requirements.

8. In some instances, AHS will, at its sole discretion, offer cash in lieu of repair or replacement. If AHS makes the determination under the circumstances described below or in Section C.7(b) above that cash in lieu of repair or replacement will be paid, AHS will make such payment to you within 30 days after the AHS determination is communicated to you. AHS will not perform the same repair or replacement of a Covered Item that has been the subject of a cash in lieu payout during any term of any agreement between you and AHS unless you first produce applicable proof of repair or replacement of that Covered Item to AHS’ reasonable satisfaction.

- a. When AHS’ combined cost of diagnosis and repair or replacement is estimated to exceed a stated Agreement dollar limit, (except for the dollar limits as stated in the following paragraphs of Section D.14: c, d, e), AHS will not provide repair or replacement services but will instead pay to you an amount equal to the remaining Agreement dollar limit (after the amount of expenditure by AHS under that Agreement dollar limit is subtracted from the total Agreement dollar limit).
- b. If AHS determines, in its sole reasonable discretion, that circumstances beyond AHS’ control prevent or hamper AHS from providing a proper repair or replacement of a Covered Item, AHS may provide you cash in lieu of AHS’ cost of such repair or replacement services. These circumstances may include but are not limited to:
 - i. A Covered Item that, after repair or replacement, would become or remain non-compliant with laws, regulations, or code requirements; or
 - ii. A Covered Item that is not repairable and a replacement item is no longer available.

D. ADDITIONAL LIMITATIONS AND EXCLUSIONS

1. In addition to any item, system, or component specifically noted as not covered in this Agreement, your Agreement does not cover:

- a. Routine maintenance (you are responsible for providing maintenance and cleaning of Covered Items as specified by the manufacturer or as generally required for proper Covered Item operation);
 - b. A malfunction of a Covered Item due to lack of, or excess of, capacity in the Covered Item;
 - c. Repair or remediation of cosmetic defects;
 - d. Repair, replacement, installation, or modification of any Covered Item, or part thereof, that has been determined to be defective by the Consumer Product Safety Commission or other similar regulatory entity or for which a manufacturer or distributor has issued a warning, recall, or determination of defect;
 - e. Flues, venting, chimneys, and exhaust lines;
 - f. Electronic, computerized, or other home management and/or automation systems;
 - g. The following components of otherwise Covered Items: cameras, speakers, microphones, phones, motion sensors, proximity or touch sensors, screens not essential to the operation of the item, remote controls, devices responsible for or associated with wireless connectivity capabilities and/or satellite communication;
 - h. Replaceable filters associated with any Covered Item;
 - i. Lighting fixtures and light bulbs;
 - j. Radon and other leak detection monitoring systems and fire sprinkler systems;
 - k. Solar items, systems, and components of Covered Items;
 - l. Except as otherwise specified in your Agreement, Covered Item modifications, upgrades, repairs, or replacements required to comply with any federal, state, or local laws, regulations, or ordinances, utility regulations, or building or zoning code requirements; and
 - m. Cranes, scaffolding, or other non-industry standard vehicles or equipment required to install, remove, or access Covered Items in order to provide services under your Agreement. You may be charged an additional fee by the Service Contractor if such vehicles or equipment are required to perform service.
2. Except as otherwise specified in your Agreement, AHS is not responsible or liable for performing service, or paying remediation costs, involving hazardous or toxic materials or other waste.
3. AHS is not responsible or liable for mold, mildew, bio-organic growth, rot, fungus, any similar issues, or pest damage, of any nature or kind, including but not limited to:
- a. Damages of any kind resulting from such causes;
 - b. Diagnosis, inspection, notification, removal, or remediation of such conditions; or
 - c. Repairs or replacements necessitated by such causes.
4. Except as otherwise specified in your Agreement, AHS is not responsible or liable for:
- a. Providing or securing access to Covered Items;
 - b. Costs of construction, carpentry, or other modifications necessary to remove, relocate, or install a Covered Item or part thereof; or
 - c. Restoration of any wall or floor coverings, cabinets, counter tops, tiles, paint, or the like.

5. AHS is not responsible or liable for the cost or conduct of testing required by statute or regulation associated with the repair or replacement of Covered Items or components.

6. AHS is not responsible or liable for Covered Item repairs or replacements when a malfunction is due to:

- a. Misuse, abuse, or mistreatment, including but not limited to removal of parts and damage, by people, pests, or pets;
- b. Accidents, fire, freezing, water damage, electrical failure or surge, or excessive or inadequate water pressure;
- c. Lightning, mud, earthquake, soil movement, storms, or other acts of God;
- d. Acts of war or terrorism; or
- e. A manufacturer's improper design, materials, or formulations; a defective manufacturing process; or other manufacturing defects.

7. Except to the extent caused by AHS or its Service Contractors, AHS will not be liable for any violations by you or by third parties of federal, state, or local laws, regulations, or guidelines relating to Covered Items, and will not perform repairs or replacements that will or may violate any current federal, state, or local laws, regulations, or guidelines.

8. AHS is not responsible or liable for special, secondary, incidental, indirect, consequential, exemplary, or other related damage resulting from the malfunction of any Covered Item, or AHS' or a Service Contractor's neglect or delay in providing, or failing to provide, repair or replacement of such Covered Item, including, but not limited to, food spoilage, loss of income, utility bills, additional living expenses, or personal and/or real property damage.

9. AHS is not responsible or liable for any delay in service or failure to provide service caused by conditions beyond AHS' control.

10. AHS will not repair or replace Covered Item malfunctions covered by the warranty of a manufacturer, distributor, builder, or by an extended warranty issued by any of the foregoing or by a third party.

11. Except as otherwise provided herein, systems and appliances shared by separate residential properties are not covered.

12. Your Agreement only covers single family homes and condominiums/townhomes/mobile homes (including manufactured housing) under 5,000 square feet, unless you have applied to AHS' Sales Department to cover an alternative dwelling type (i.e. 5,000 square feet up to 10,000 square feet, or multiple units), AHS has agreed to such coverage, and the appropriate fee has been paid. If your Agreement is for a duplex, triplex, or fourplex residential property, then all units within the residential property must be covered by an appropriate AHS Home Service Plan for coverage to apply to shared systems and appliances.

13. If your Agreement is for a multi-unit residential property other than those specified in D.12 above, then only items contained within the confines of each individual residential property are covered. Shared systems and appliances are not covered.

14. Certain other Covered Item dollar limits:

- a. AHS will pay up to two thousand dollars (\$2,000) total (under which total dollar limit all other applicable dollar limits in this paragraph 14 shall apply) for access, diagnosis, and repair/replacement of all Covered Items under Section F for a home seller's coverage while the seller's residential property is listed but before sale closing. Section F is the only Covered Items section

applicable to such listing coverage under this Home Service Plan.

- b. As part of any other applicable Covered Item dollar limit, AHS will pay up to ten dollars (\$10) per pound for refrigerator installed in a Covered Item.
- c. As necessary, AHS will pay up to a total of two hundred fifty dollars (\$250) per Covered Item malfunction for access, diagnosis, and repair/replacement of faucets, shower heads, shower arms, valves for shower, tub, and diverter, angle stops, risers, and gate valves with similar features of finish and style.
- d. As necessary, AHS will pay up to a total of six hundred dollars (\$600) per Covered Item malfunction for access, diagnosis, and repair/replacement of toilet tanks, bowls, and related mechanisms.
- e. AHS will pay up to a total of three thousand dollars (\$3,000) per Covered Item malfunction for access, diagnosis, and repair/replacement of any covered Appliance in Section G.
- f. AHS will pay up to five hundred dollars (\$500) total per Agreement Term for access, diagnosis, and repair/replacement of sewage ejector pumps.
- g. AHS will pay up to one thousand dollars (\$1,000) total per Agreement Term for access, diagnosis, and repair/replacement of all refrigerators under the Additional Refrigerator Units coverage.
- h. AHS will pay up to one thousand five hundred dollars (\$1,500) total per Agreement Term for access, diagnosis, and repair/replacement of each well pump.
- i. AHS will pay up to three thousand dollars (\$3,000) total per Agreement Term for access, diagnosis, and repair/replacement of pool equipment including, but not limited to, pool heaters.
- j. AHS will pay up to two thousand dollars (\$2,000) total per Agreement Term for access, diagnosis, and repair/replacement of any glycol, hot water, or steam circulating heating system and any water heater which supplies heated water to such system(s).
- k. AHS will pay up to two thousand dollars (\$2,000) total per Agreement Term for access, diagnosis, and repair/replacement of any geothermal and/or water source heat pumps.
- l. As part of any other applicable Covered Item dollar limit, AHS will pay up to two hundred fifty dollars (\$250) total per Agreement Term for obtaining required permits when completing an AHS-approved repair or replacement of a Covered Item.
- m. As part of any other applicable Covered Item dollar limit, AHS will pay up to two hundred fifty dollars (\$250) total per Agreement Term to correct code violations and/or upgrade to current code requirements when completing AHS-approved repairs or replacements of Covered Items. If AHS is unable to diagnose whether a Covered Item malfunction exists due to an existing code violation, this code violation coverage shall not apply, and you are responsible for correcting the existing code violation in order to allow AHS to conduct such diagnosis.
- n. If ductwork is accessible only through a concrete floor, wall, or ceiling, AHS will pay up to one thousand dollars (\$1,000) total per Agreement Term for access to, repair to, or replacement of such ductwork, including returning access openings to a rough finish.
- o. If plumbing is accessible only through a concrete floor, wall, or ceiling, AHS will pay up to one thousand dollars (\$1,000) total per Agreement Term for access to, repair to, or replacement of such plumbing, including return access openings to a rough finish.
- p. AHS will pay up to one thousand five hundred dollars (\$1,500) total per Agreement Term for repair of roof leaks.

E. MISCELLANEOUS

1. The obligations of AHS under your Agreement are backed by the full faith and credit of AHS.

2. DISPUTE REMEDY. Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise (“Claim”), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by either party seeking binding arbitration by one arbitrator administered by the American Arbitration Association (“AAA”), under the AAA Consumer Rules in effect at the time the Claim is filed (“AAA Rules”). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator’s decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator’s award; any such suit may be brought only in Federal District Court for the District or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled “Class Action Waiver.”

3. CLASS ACTION WAIVER. Any Claim must be brought in the parties’ individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding (“Class Action”). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.**

4. ATTENTION NEVADA CONSUMERS: If you are not satisfied with the manner in which a claim is being handled under this contract, you may contact the Nevada Commissioner of Insurance at (888) 872-3234.

F. SHIELDESSENTIAL

NOTE: See Section D.14 for applicable Covered Item dollar limits.

HEATING AND AIR CONDITIONING NOTE: Coverage available on Heating and Air Conditioning systems up to a 5 ton capacity.

REKEY NOTE: Rekey coverage not available as part of seller’s listing coverage. An additional fee may be applicable if existing copies of the key are not present. You will be responsible for payment directly to the locksmith for any additional services.

1. HEATING

COVERED ITEMS: All components and parts of the following heating systems: Forced air (gas, electric, oil) – Geothermal – Wall mounted heaters – Floor furnaces – Package units – Heat pumps – Mini-splits – Hot water or steam circulating heat – Electric baseboard. When repairing or replacing a Covered Item, if such repair or replacement requires component or part upgrades to maintain compatibility and/or compliance with SEER (Seasonal Energy Efficiency Ratio), HSPF (Heating Seasonal Performance Factor), or refrigerant standards, AHS will cover such upgrades and will also cover necessary associated upgrades to duct connections, plenums and indoor electrical lines up to and including the disconnect. **NOT COVERED: Outside or underground piping, well pump, and well pump components for geothermal and/or water source heat pump – Fuel storage tanks – Portable units – Humidifiers – Dehumidifiers – Radiant cable heat – Fireplace, grain, pellet, coal, or wood heating units (even if only source of heating).**

2. AIR CONDITIONING

COVERED ITEMS: All components and parts of the following air conditioning systems: Ducted central electric split and package units – Geothermal – Evaporative coolers – Wall air conditioners – Mini-splits. When repairing or replacing a Covered Item, if such repair or replacement requires component or part upgrades to maintain compatibility and/or compliance with SEER (Seasonal Energy Efficiency Ratio), HSPF (Heating Seasonal Performance Factor), or refrigerant standards, AHS will cover such upgrades and will also cover necessary associated upgrades to duct connections, plenums and indoor electrical lines up to and including the disconnect. **NOT COVERED: Outside or underground piping, well pump, and well pump components for geothermal and/or water source heat pump – Window units – Water towers – Humidifiers – Dehumidifiers – Chillers, chiller components, and water lines – Portable units.**

3. DUCTWORK

COVERED ITEMS: Leaks or breaks in ductwork (sheet metal, duct board, and flex duct including vapor barrier) from heating and/or air conditioning unit(s) including registers or grills. Where covered repairs require access to ductwork, AHS will only provide access to, and sealing of ductwork through unobstructed walls, ceiling or floors, and will return access openings to a rough finish. If a leak is detected as a result of legally mandated diagnostic testing (**not covered by AHS per Section D**), AHS will repair and replace accessible and unobstructed ductwork.

4. PLUMBING

COVERED ITEMS: Leaks and breaks of water, drain, gas, waste, or vent lines – Faucets – Shower heads and shower arms – Valves for shower, tub, and diverter – Angle stops – Risers – Gate valves – Hose bibs – Toilet tanks, bowls, and related mechanisms – Toilet wax ring seals – Pressure regulators – Plumbing sewage ejector pump only (septic system sewer ejector pumps are not covered unless the optional Septic System Pumping/Sewage Ejector Pump is

purchased) – Permanently installed sump pumps (ground water only) including the battery, if exclusive to the sump pump – Built-in bathtub whirlpool motor, pump, and air switch assemblies. Where covered repairs require access to plumbing, AHS will only provide access to plumbing through unobstructed walls, ceilings, or floors, and will return access openings to a rough finish. **NOT COVERED: Collapse of or damage to water, drain, gas, waste, or vent lines caused by freezing or roots – Components responsible for touchless functionality of automatic faucets – Ultraviolet lights and filters on Faucets and Shower Heads – Basket strainers – Bathtubs – Bidets – Sinks – Showers – Shower enclosures and base pans – Toilet lids and seats – Caulking or grouting – Septic tanks – Water softeners – Water filtration/purification system – Inadequate or excessive water pressure – Flow restrictions in fresh water lines – Well pumps – Holding or storage tanks – Saunas or steam rooms – Whirlpool jets and lines – Instant hot/cold water dispensers.**

5. PLUMBING STOPPAGES

COVERED ITEMS: Clearing of sink, bathtub, shower, and toilet stoppages. Clearing of mainline drain and sewer stoppages through an accessible ground level or interior cleanout up to 100 feet from access point. Clearing of lateral drain line stoppages up to 100 feet from access point including accessible cleanout, p-trap, drain, or overflow access points. **NOT COVERED: Costs to locate or access cleanouts not found or inaccessible, or to install cleanouts – Access through roof vents – Stoppages caused by collapsed, damaged or broken drain, vent or sewer lines outside the home's main foundation – Stoppages due to roots or foreign objects – Lines broken or infiltrated by roots, or otherwise stopped by roots, even if within the home's main foundation – Septic tanks.**

6. WATER HEATERS

COVERED ITEMS: All components and parts, including circulating pumps, water heater mixing valves, thermal expansion tanks, and malfunctions due to sediment, unless listed below as NOT COVERED. **NOT COVERED: Auxiliary holding or storage tanks – Noise – Fuel storage tank and energy conservation unit – Flues and vents.**

7. ELECTRICAL

COVERED ITEMS: All components and parts of a hard-wired home electrical system, unless listed below as NOT COVERED. **NOT COVERED: Inadequate wiring capacity – Exhaust/vent/attic fans – Audio/video/computer/intercom/ alarm or security wiring or cable – Power failure or surge – Direct current (D.C.) wiring or components and/or low voltage systems including wiring and relays – Circuit overload – Face plates – Ceiling fans – Telephone wiring – Doorbells – Central vacuum – Smoke detectors – Garage door openers – Entertainment systems.**

8. REKEY

COVERED ITEMS: Rekey up to 6 keyholes, including delivery of a total of 4 identical keys, on previously installed and properly functioning non-electronic door knobs and/or deadbolts for the hinged doors accessing the structural walls of your covered residential property. You are responsible for payment of your Trade Service Call Fee and the cost of any additional services provided. A separate Trade Service Call Fee applies for each unit of any covered multi-unit property. **NOT COVERED: Replacement of deadbolts, knobs or associated hardware – Garage door openers – Broken or damaged locks – Padlocks – Skeleton locks and keys – Window, file cabinet, safe, desk or mailbox locks – Any other services provided by locksmith.**

G. SHIELDPLUS
